

**AGENDA
IRVINE RANCH WATER DISTRICT
BOARD OF DIRECTORS
REGULAR MEETING**

May 10, 2021

Due to COVID-19, this meeting will be conducted as a teleconference pursuant to the provisions of the Governor's Executive Orders N-25-20 and N-29-20, which suspend certain requirements of the Ralph M. Brown Act. Members of the public may not attend this meeting in person.

Participation by members of the Board of Directors will be from remote locations. Public access and participation will only be available telephonically/electronically.

To virtually attend the meeting and to be able to view any presentations or additional materials provided at the meeting, please join online via Webex using the link and information below:

Via Web: <https://irwd.webex.com/irwd/j.php?MTID=m8693f086f8af4312c352b0f4e01c4f60>
Meeting Number (Access Code): 146 862 1331
Meeting Password: 9E4EjFYkmS9

After joining the meeting, in order to ensure all persons can participate and observe the meeting, please select the "Call in" option and use a telephone to access the audio for the meeting by using the call-in information and attendee identification number provided.

As courtesy to the other participants, please mute your phone when you are not speaking.

PLEASE NOTE: Participants joining the meeting will be placed into the Webex lobby when the Board enters closed session. Participants who remain in the "lobby" will automatically be returned to the open session of the Board once the closed session has concluded. Participants who join the meeting while the Board is in closed session will receive a notice that the meeting has been locked. They will be able to join the meeting once the closed session has concluded.

CALL TO ORDER 5:00 p.m.

ROLL CALL Directors LaMar, McLaughlin, Swan, and Withers, and President Reinhart

PUBLIC COMMENT NOTICE

If you wish to address the Board of Directors on any item, please submit a request to speak via the "chat" feature available when joining the meeting virtually. Remarks are limited to three minutes per speaker on each subject. You may also submit a public comment in advance of the meeting by emailing comments@irwd.com before 12:00 p.m. on Monday, May 10, 2021.

ALL VOTES SHALL BE TAKEN BY A ROLL CALL VOTE.

COMMUNICATIONS TO THE BOARD

1. A. Written:

B. Oral:

2. ITEMS RECEIVED TOO LATE TO BE AGENDIZED

Recommendation: Determine the need to discuss and/or take immediate action on item(s).

CONSENT CALENDAR, ITEMS 3-8 (Next Resolution No. 2021-7)

3. BOARD MEETING MINUTES

Recommendation: That the minutes of the March 22, 2021 Regular Board meeting be approved as presented.

4. RATIFY/APPROVE BOARD OF DIRECTORS' ATTENDANCE AT MEETINGS AND EVENTS

Recommendation: That the Board ratify/approve the meetings and events for Steven LaMar, Karen McLaughlin, and John Withers, as described.

5. 2021 LEGISLATIVE AND REGULATORY UPDATE

Recommendation: That the Board adopt a "watch" position on AB 602 (Grayson)

6. MICHELSON WATER RECYCLING PLANT UNIT SUBSTATION T-1 REMOVAL FINAL ACCEPTANCE

Recommendation: That the Board accept construction of the Michelson Water Recycling Plant Unit Substation T-1 Removal, authorize the General Manager to file a Notice of Completion, and authorize the payment of the retention 35 days after the date of recording the Notice of Completion for Project 10535.

7. EASTWOOD RECYCLED WATER PUMP STATIONS FINAL ACCEPTANCE

Recommendation: That the Board accept construction of the Eastwood Recycled Water Pump Stations Zone A to B and Zone A To C, authorize the General Manager to file a Notice of Completion, and authorize the payment of the retention 35 days after the date of recording the Notice of Completion for Projects 04400 and 04457.

CONSENT CALENDAR, ITEMS 3-8

8. RESOLUTION FOR SYPHON RESERVOIR IMPROVEMENT PROJECT APPLICATIONS FOR TITLE XVI GRANT FUNDING

Recommendation: That the Board authorize staff to submit grant applications for the Bureau of Reclamation WaterSMART – Title XVI WIIN Water Reclamation and Reuse Program for up to 25% of the total project costs, up to \$20 million, for the Syphon Reservoir Improvement Project, authorize the General Manager to execute a related agreement to receive grant funding, and adopt a resolution by title authorizing submission of the grant applications.

Reso. No. 2021-7

ACTION CALENDAR

9. REHABILITATION OF IRWD WELL 51 CONSTRUCTION AWARD

Recommendation: That the Board authorize the General Manager to execute a construction contract with Weber Water Resources Ca, LLC in the amount of \$304,950.89 for Rehabilitation of IRWD Well 51, Project 11827.

10. ANNUAL ORACLE SOFTWARE MAINTENANCE AND SUPPORT AGREEMENT RENEWAL

Recommendation: That the Board approve renewal of IRWD's annual Oracle Software Maintenance and Support Agreements, and additional licenses and support, in the amount of \$2,020,000 for a two-year period from June 1, 2021 through May 31, 2023.

OTHER BUSINESS

Pursuant to Government Code Section 54954.2, members of the Board of Directors or staff may ask questions for clarification, make brief announcements, and make brief reports on his/her own activities. The Board or a Board member may provide a reference to staff or other resources for factual information, request staff to report back at a subsequent meeting concerning any matter, or direct staff to place a matter of business on a future agenda. Such matters may be brought up under the General Manager's Report or Directors' Comments.

11. General Manager's Report

12. Receive oral update(s) from District liaison(s) regarding communities within IRWD's service area and provide information on relevant community events.

13. Directors' Comments

OTHER BUSINESS - Continued

14. Adjourn.

Availability of agenda materials: Agenda exhibits and other writings that are disclosable public records distributed to all or a majority of the members of the above-named Board in connection with a matter subject to discussion or consideration at an open meeting of the Board are available for public inspection in the District's office, 15600 Sand Canyon Avenue, Irvine, California ("District Office"). If such writings are distributed to members of the Board less than 72 hours prior to the meeting, they will be available from the District Secretary of the District Office at the same time as they are distributed to Board Members, except that if such writings are distributed one hour prior to, or during, the meeting, they will be available electronically via the Webex meeting noted. Upon request, the District will provide for written agenda materials in appropriate alternative formats, and reasonable disability-related modification or accommodation to enable individuals with disabilities to participate in and provide comments at public meetings. Please submit a request, including your name, phone number and/or email address, and a description of the modification, accommodation, or alternative format requested at least two days before the meeting. Requests should be emailed to comments@irwd.com. Requests made by mail must be received at least two days before the meeting. Requests will be granted whenever possible and resolved in favor of accessibility.

May 10, 2021
Prepared and
submitted by: L. Bonkowski
Approved by: Paul A. Cook

CONSENT CALENDAR

BOARD MEETING MINUTES

SUMMARY:

Provided are the minutes of the April 26, 2021 Regular Board meeting for approval.

FISCAL IMPACTS:

None.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

COMMITTEE STATUS:

Not applicable.

RECOMMENDATION:

THAT THE MINUTES OF THE APRIL 26, 2021 REGULAR BOARD MEETING BE APPROVED AS PRESENTED.

LIST OF EXHIBITS:

Exhibit "A" – April 26, 2021 Minutes

Note: This page is intentionally left blank.

EXHIBIT "A"

MINUTES OF REGULAR MEETING – April 26, 2021

The regular meeting of the Board of Directors of the Irvine Ranch Water District (IRWD) was called to order at 5:00 p.m. by President Reinhart on April 26, 2021 via teleconference pursuant to the provisions of the Governor's Executive Orders N-25-20 and N-29-20 due to COVID-19. Members of the public did not attend this meeting in person.

Directors Present: LaMar, McLaughlin, Withers, Swan, and Reinhart.

Directors Absent: None.

Also Present: General Manager Cook, Executive Director of Technical Services Burton, Executive Director of Operations Chambers, Executive Director of Water Policy Weghorst, Executive Director of Finance and Administration Clary, Director of Treasury and Risk Management Jacobson, Director of Water Quality and Regulatory Compliance Colston, Director of Recycling Operations Zepeda, Director of Information Services Malone, Director of Water Resources Sanchez, Director of Maintenance Mykitta, Director of Human Resources Mitcham, Government Relations Officer/Deputy General Counsel Compton, Manager of Strategic Planning and Analysis Christopher Smithson, Secretary Bonkowski, General Counsel Collins, Consultant Newell, Special Legal Counsel Robinson, Natural Resources Manager Swift, Engineer Bennett, Engineer Robinson, and members of staff and the public.

WRITTEN AND ORAL COMMUNICATIONS: None.

ITEMS RECEIVED TOO LATE TO BE AGENDIZED: None.

WORKSHOPS

PROPOSED OPERATING AND NON- OPERATING BUDGETS FOR FISCAL YEARS 2021-22 AND 2022-23

General Manager Cook reported that the proposed Fiscal Year (FY) 2021-22 Operating Budget for IRWD is \$180.2 million, representing an increase of \$6.6 million, or 3.8%, when compared to the Operating Budget for FY 2020-21. The proposed FY 2022-23 Operating Budget for IRWD is \$187.7 million, representing an increase of \$7.6 million, or 4.2%, when compared to the proposed Operating Budget for FY 2021-22. The proposed FY 2021-22 Non-operating Net Income Budget is \$76.7 million, representing a decrease of \$12.0 million when compared to the Non-operating Budget for FY 2020-21. The proposed FY 2022-23 Non-operating Budget is \$84.1 million, representing an increase of \$7.4 million when compared to the proposed Non-operating Budget for FY 2021-22.

Using a PowerPoint presentation, Manager of Strategic Planning and Analysis Smithson said that the first workshop was held on April 12, 2021 and that tonight's workshop would review the proposed budget, review that rate history, and then make recommendations for Board adoption. Using slides and charts, Mr. Smithson reviewed the key assumption for both uncontrollable and controllable cost escalators, reviewed the potable source of supplies, the source cost per acre-foot, and the key driver comparisons. He reviewed the key assumptions for non-operating net incomes, and annual rate increase history. He reviewed the schedule for budget adoption and next steps. He said due to the continued economic impact of COVID-19 to IRWD's customers,

no changes to water and sewer rates are proposed at this time, and that staff will return to the Finance and Personnel Committee and the Board in Fall 2021 to present updated considerations for rate increases that could be adopted after January 1, 2022.

Director Swan said that the Operating and Non-operating budgets and assumptions were reviewed by the Finance and Personnel Committee on March 2, 2021, March 24, 2021, and April 6, 2021, and on MOTION by Swan, seconded by LaMar and unanimously carried by a roll call vote (5-0) McLaughlin, Swan, Withers, LaMar and Reinhart voting aye and 0 noes) THE BOARD ADOPTED THE FOLLOWING RESOLUTION BY TITLE APPROVING THE OPERATING AND NON-OPERATING BUDGETS FOR FISCAL YEARS 2021-22 AND 2022-23.

RESOLUTION NO. 2021 –4

RESOLUTION OF THE BOARD OF DIRECTORS
OF IRVINE RANCH WATER DISTRICT,
APPROVING THE DISTRICT’S OPERATING AND NON-OPERATING
BUDGETS FOR FISCAL YEAR 2021-22 AND FISCAL YEAR 2022-23 AND
DETERMINING COMPLIANCE WITH
ARTICLE XIII B OF THE CALIFORNIA CONSTITUTION

CAPITAL BUDGET FOR FISCAL YEARS 2021-22 AND 2022-23 AND LONG-TERM
CAPITAL PROGRAM

General Manager Cook reported that staff will provide a presentation on the Capital Budget for Fiscal Year (FY) 2021-22 and FY 2022-23 and IRWD’s Long-Term Capital Program and that the forecasted capital expenditures for FY 2021-22 and FY 2022-23 are \$116.7 and \$107.5 million, respectively.

Using a PowerPoint presentation, Engineer Robinson reviewed what the two-year capital budget would accomplish and compared the previous forecast to actual expenditures for FY 2019-20 and 2020-21. Mr. Robinson said that for the past two fiscal years, FY 2019-20 and FY 2020-21, forecasted expenditures were originally estimated at \$184.6 million, and that actual expenditures are on track to be \$158.5 million (approximately 85% of forecasted expenditures). He said for previewing the upcoming two fiscal years, estimated capital expenditures for FY 2021-22 and FY 2022-23 are \$116.7 and \$107.5 million, respectively. For both FY 2021-22 and FY 2022-23 three expenditure groups make up approximately 50% of projected expenditures: 1) Replacement – Facilities projects, 2) Water Banking – including the Kern Fan Groundwater Storage Project, and 3) Operational projects. This year a change was made to include employee benefits cost allocation as part of the capital budgeting process. The benefits will apply to IRWD labor only and account for a small portion of the Capital Budget that is captured by the 10% contingency built into each project.

Using maps, Mr. Robinson provided an update on development, and then listed expenditure by categories, and the top expenditure projects. He described the long-term capital program, and its program increases.

Director Withers said that this item was reviewed by the Engineering and Operations Committee on April 20, 2021, and on MOTION by Withers, seconded by McLaughlin and unanimously carried by a roll call vote (5-0) McLaughlin, Swan, Withers, LaMar and Reinhart voting aye and

0 noes) THE BOARD ADOPTED THE FOLLOWING RESOLUTION BY TITLE APPROVING IRWD'S CAPITAL BUDGET FOR FISCAL YEARS 2021-22 AND 2022-23.

RESOLUTION NO. 2021 – 5

RESOLUTION OF THE BOARD OF DIRECTORS OF IRVINE
RANCH WATER DISTRICT, APPROVING A CAPITAL BUDGET
FOR FISCAL YEARS 2021-22 AND 2022-23

CONSENT CALENDAR

Director Swan asked that Item No. 7, IRWD STRATEGIC MEASURES, be moved to the Action Calendar for discussion. There being no objections, this item was moved accordingly. On MOTION by Swan, seconded by LaMar and unanimously carried by a roll call vote (5-0) McLaughlin, Swan, Withers, LaMar and Reinhart voting aye, and 0 noes) ITEMS 5 AND 6 AND 8 THROUGH 13 WERE APPROVED AS FOLLOWS:

5. BOARD MEETING MINUTES

Recommendation: That the minutes of the April 12, 2021 Regular Board meeting be approved as presented.

6. RATIFY/APPROVE BOARD OF DIRECTORS' ATTENDANCE AT MEETINGS AND EVENTS

Recommendation: That the Board ratify/approve the meetings and events for Steven LaMar, Karen McLaughlin, and John Withers, as described.

8. MARCH 2021 TREASURY REPORT

Recommendation: That the Board receive and file the Treasurer's Investment Summary Report, the Summary of fixed and variable rate debt, and Disclosure Report of Reimbursements to Board members and staff, approve the March 2021 Summary of Payroll ACH payments in the total amount of \$2,116,670, and approve the March 2021 Accounts Payable Disbursement Summary of warrants 416091 through 416896, Workers' Compensation distributions, wire transfers, payroll withholding distributions and voided checks in the total amount of \$39,486,509.

9. LETTER OF CREDIT EXTENSION FOR IRWD SERIES 2008A BONDS

Recommendation: That the Board approve an extension of the Sumitomo Mitsui Letter of Credit supporting IRWD's 2008A Refunding Bonds to May 2025 at an annual cost of 0.315% and adopt the following resolution by title authorizing certain actions in connection with extension of the Letter of Credit (Consolidated Refunding Series 2008A).

CONSENT CALENDAR (CONTINUED)

RESOLUTION NO. 2021-6

RESOLUTION OF THE BOARD OF DIRECTORS OF
THE IRVINE RANCH WATER DISTRICT
AUTHORIZING CERTAIN ACTIONS IN CONNECTION
WITH EXTENSION OF LETTER OF CREDIT
(CONSOLIDATED REFUNDING SERIES 2008A)

10. SHARED SERVICES AGREEMENT WITH THE GROUNDWATER
BANKING JOINT POWERS AUTHORITY

Recommendation: That the Board authorize the General Manager to execute a Shared Services Agreement with the Groundwater Banking Joint Powers Authority for reimbursement of IRWD staff resources and other services.

11. HYDROEXCAVATOR CONTRACT AWARD

Recommendation: That the Board authorize the General Manager to execute a contract with Plumber's Depot, Inc. in the amount of \$502,050 to purchase one new hydroexcavator.

12. PLANNING AREA 12 INNOVATION PARK REGIONAL ZONE A
RECYCLED WATER IMPROVEMENTS

Recommendation: That the Board authorize the General Manager to accept Irvine Community Development Company's construction contract with Paulus Engineering, Inc. in the amount of \$1,107,770.03 for the Planning Area 12 Innovation Park Regional Zone A Recycled Water Improvements, Project 11584.

13. EASTWOOD RECYCLED WATER PUMP STATIONS CONTRACT
CHANGE ORDER

Recommendation: That the Board approve Contract Change Order No. 12 in the amount of \$353,968.15 with Pacific Hydrotech Corporation for work associated with the existing 54-inch diameter recycled water pipeline repairs for the Eastwood Zone A to B and Zone A to C Recycled Water Pump Stations project.

ACTION CALENDAR

IRWD STRATEGIC MEASURES

Following Director Swan's inquiries and responses on several measures, on MOTION by Swan, seconded by LaMar and unanimously carried by a roll call vote (5-0) McLaughlin, Withers, Swan, LaMar and Reinhart voting aye, and 0 noes THE IRWD STRATEGIC MEASURES WERE RECEIVED AND FILED.

WOODBIDGE RECYCLED WATER PIPELINE REPLACEMENT CONSULTANT SELECTION

General Manager Cook reported that the Woodbridge Recycled Water Pipeline Replacement will replace approximately 50,000 feet of asbestos cement pipe (ACP) distribution mains used in the recycled water system in the Woodbridge community of Irvine.

Executive Director of Technical Services Burton said that staff issued a request for proposal for the design to six consultants including Cannon Corporation, Lockwood Andrews & Newman, Inc., MKN Associates, Psomas, Stantec, and West Yost Associates. Mr. Burton said that five of the six firms submitted proposals on March 31, 2021; Psomas declined to submit a proposal. Based on the evaluation of each consultant's project approach, project team and relevant experience, staff recommends the selection of West Yost Associates. He said that West Yost presented a sound approach for the design of the replacement pipeline and separated itself from the other firms by showing the most thorough understanding of the design coordination that will be required with parties who will be affected by this project. He said that West Yost's fee is in the amount of \$848,949 and given the scope of the design and the work effort required, staff finds it fair and reasonable. He further said that for these reasons along with West Yost's Project Manager's vast experience on IRWD projects and familiarity with IRWD's design standards, staff believes West Yost is the best qualified consultant to perform this work.

Director Withers said that this item was reviewed by the Engineering and Operations Committee on April 20, 2021, and that West Yost's proposal was excellent. Following discussion on the pipe failures, on MOTION by Withers, seconded by McLaughlin, and unanimously carried by a roll call vote (5-0) McLaughlin, Withers, Swan, LaMar and Reinhart voting aye, and 0 noes THE BOARD AUTHORIZED THE GENERAL MANAGER TO EXECUTE A PROFESSIONAL SERVICES AGREEMENT WITH WEST YOST ASSOCIATES IN THE AMOUNT OF \$848,949 FOR ENGINEERING DESIGN SERVICES FOR THE WOODBRIDGE RECYCLED WATER PIPELINE REPLACEMENT, PROJECT 11571.

SALT MANAGEMENT MODEL PHASE 1 UPDATE BUDGET INCREASE

General Manager Cook reported that the Salt Management Model Phase 1 Update and Validation Project will update IRWD's existing Recycled Water Salt Management Model by incorporating additional historic data and new facilities as well as analyzing and validating a selected alternative proposed in IRWD's Sewage Treatment Master Plan (STMP). In May 2020, consulting engineers at HDR initiated work on the Project. To date, HDR has completed the incorporation of the additional data and new facilities into the model.

Using a PowerPoint presentation, Energy Manager Bennett provided a chart showing the background of the Salt Balance Model, reviewed the objectives of the model update, provided the results of salinity sources from 2008 to 2019, reviewed the results of historic and predicted MWRP effluent from 2008 to 2016, and discussed the next step for the Sewage Master Plan Alternatives. Mr. Bennet said that an additional budget is required to complete the model validation component of the Phase 1 work because the STMP alternative to be modeled is significantly more complex than the analysis envisioned in the original scope of work. The additional budget will facilitate implementation of work under Variance No. 2 of the Professional Services Agreement with HDR to complete modeling validation work in analyzing the selected alternative. The additional work to be performed on the Salt Management Model

under Variance No. 2 includes the following: 1) the ability to divert sewage from several sewer sheds that currently discharge to the Los Alisos Water Recycling Plant (LAWRP) to MWRP and/or El Toro Water District (ETWD); 2) the ability to divert a portion of the sewage from the Irvine Business Center (IBC) that currently discharges to OC SAN would discharge to MWRP; 3) expand the LAWRP (secondary/tertiary) treatment capacity from 7.5/5.5 million gallons per day (MGD) to 12.5/10 MGD; 4) incorporate an advanced water purification facility at LAWRP that can process 10 MGD of tertiary treated water and delivery of 8.5 MGD of advanced treated water to the Baker Water Treatment Plant; 5) simulation of a side-stream reverse osmosis (RO) process at MWRP and LAWRP; 6) incorporate a new pipeline and pump station to deliver brine from the new MWRP RO system to the South Orange County Wastewater Authority outfall; and 7) the ability to report alternative results at various stages of implementation such as LAWRP diverted to MWRP, LAWRP diverted to MWRP and ETWD, IBC diversion to MWRP, and MWRP and LAWRP, with and without an RO system. Following suggestions from Director Swan, General Manager Cook said that staff will look at various alternatives for flows and will also provide him a schematic as requested.

Director Withers said that this item was reviewed by the Engineering and Operations Committee on April 20, 2021, and on MOTION by Withers, seconded by Swan and unanimously carried by a roll call vote (5-0) McLaughlin, Swan, Withers, LaMar and Reinhart voting aye, and 0 noes, THE BOARD AUTHORIZED A BUDGET INCREASE IN THE AMOUNT OF \$65,000, FROM \$187,500 TO \$252,500, FOR PROJECT 11135 TO COMPLETE THE SALT MANAGEMENT MODEL PHASE 1 UPDATE AND VALIDATION PROJECT.

SAN JOAQUIN MARSH OPERATING GUIDELINES AND NATURAL TREATMENT SYSTEM FACILITIES THREE-YEAR LANDSCAPE MAINTENANCE SERVICES CONTRACT

General Manager Cook reported that to ensure effective operation of the San Joaquin Marsh going forward, the San Joaquin Marsh Operating Guidelines have been updated and staff will be providing a summary this evening. Mr. Cook said that additionally, staff will be presenting a proposal to provide landscape maintenance services throughout IRWD's Natural Treatment System (NTS).

Using a PowerPoint presentation, Natural Resources Manager Swift reported that the San Joaquin Marsh Operations and Maintenance Guidelines, first developed in 2006 and updated in 2012, are used by staff to manage water flow through the San Joaquin Marsh to ensure standards for water quality are achieved and to protect Marsh facilities and habitat. Mr. Swift said that since 2012, the regulatory environment has changed substantially, and staff recognized the need to update the key operating principles and address critical natural resource components. He said that the new plan reflects an adaptive resource management strategy and includes water management, habitat protection, pest management and vector control strategies, and enhanced operating principles. The updated plan will help guide IRWD to manage the Marsh going forward. Using maps and charts, he reviewed the flow schematic and non-storm drain discharge to the San Diego Creek. He further reviewed the plan's objectives, the operation and maintenance programs, and a performance summary. Following comments from Director Swan, staff will provide him with a copy of this document.

Mr. Swift said that landscape maintenance, trash control, and light sediment removal are integral to the operation and maintenance of the San Joaquin Marsh and its campus, Peters Canyon Water Capture and Reuse Pipeline, and 44 Natural Treatment System (NTS) facilities, covering a total

of 532 landscaped acres. He said that the current three-year contract to perform landscape maintenance services expires in 2021, and that staff invited five environmental consulting and landscape maintenance companies to participate in the request for proposal process. Firms were selected based on their experience with the District and with projects involving natural habitat restoration and wetland environments. The process included an opportunity to conduct a self-walk-through at the Marsh and three NTS facilities that were representative of the system. He said that of the five companies invited, three did not submit bids, and two firms, LandCare and Endemic Environmental, submitted a joint proposal. He said that LandCare is the current landscape services provider at both facilities and has performed satisfactorily. Of the three firms that did not submit bids, one sent a formal “no bid” letter and the remaining firms sent emails indicating they did not have sufficient labor to successfully bid on this unique, habitat maintenance-focused contract.

Mr. Swift said that the bid was reviewed by staff and the first-year cost of the proposed three-year contract is \$1,453,838 and covers 532 landscaped acres that includes 44 NTS facilities, the Marsh and its campus, and Peters Canyon. He said that the 21% increase in cost over the last year of the current contract is the result of the addition of 12 NTS facilities, increases in the minimum wage the last two years and the requirement that weed abatement be performed without the use of glyphosate-based herbicides to comply with the District’s 2019 Integrated Pest Management Plan. The contract includes an annual escalation for wage and cost-of-living adjustments (COLA), and a provision for a two-year extension at the discretion of the District. Following staff’s response to Director Swan relative to the higher costs of the Marsh Campus due to additional maintenance work including hand weeding as pesticides are not allowed, staff will forward him a copy of the bid. In response to his inquiry relative to outside funding to assist in the maintenance of NTS sites, staff will provide him with a summary. Director Withers reported that this item was reviewed by the Engineering and Operations Committee on April 20, 2021, and on MOTION by Withers, seconded by McLaughlin and carried by a roll call vote (4-1) McLaughlin, Withers, LaMar and Reinhart voting aye, and Swan abstaining. THE BOARD AUTHORIZED THE GENERAL MANAGER TO EXECUTE FIVE THREE-YEAR CONTRACTS FOR LANDSCAPE MAINTENANCE SERVICES AT IRWD’S NATURAL TREATMENT SYSTEM FACILITIES, INCLUDING A PROVISION FOR A TWO-YEAR EXTENSION, WITH LANDCARE AND ENDEMIC ENVIRONMENTAL TOTALING \$4,560,733.

DISTRICT-WIDE LANDSCAPE AND IRRIGATION MAINTENANCE THREE-YEAR CONTRACT AWARD

General Manager Cook reported that Tropical Plaza Nursery, Inc. was awarded a three-year landscape and irrigation maintenance contract for 146 IRWD sites in March 2020. Mr. Cook said that midway through its first year of the contract, Tropical Plaza informed IRWD that due to unexpected operating expenses, it could not continue to provide services under the terms of the contract.

Mr. Cook said that in March 2021, staff conducted a competitive bidding process to retain a landscape and irrigation maintenance contractor to provide landscape services at IRWD properties for a three-year term. He said that staff solicited bids from six landscape contractors, and that five conforming bids were received with Trugreen Landcare, LLC as the low bidder.

On MOTION by LaMar, seconded by Swan, and unanimously carried by a roll call vote (5-0) McLaughlin, Withers, Swan, LaMar and Reinhart voting aye, and 0 noes, THE BOARD

AUTHORIZED THE GENERAL MANAGER TO EXECUTE A THREE-YEAR LANDSCAPE AND IRRIGATION MAINTENANCE CONTRACT WITH TRUGREEN LANDCARE, LLC FOR \$1,557,813 TO MAINTAIN 146 IRWD SITES.

IRWD REOPENING PLAN CONSIDERATIONS

General Manager Cook said that with California's target reopening date now set, staff evaluated what will be necessary to safely open IRWD facilities to the public. Mr. Cook said that staff recommends a tiered reopening approach along with the District's ongoing social distancing, OSHA-required face coverings and other COVID-19 reduction measures. He then reviewed the proposed tiered reopening, provided California reopens as planned on June 15. For public Board and Committee meetings, staff proposes the District resume full, in-person meetings beginning on June 15, 2021 with a potential hybrid approach of in-person and virtual if the additional audio-visual equipment has been installed.

Mr. Cook then recommended a soft reopening of the Community Room and San Joaquin Marsh Campus facilities with outside camps and tours beginning July 1, 2021, followed by limited indoor activities starting on August 1, 2021. Reservations for fall and winter events would commence on September 1, 2021.

He further said that since March 2020, many IRWD employees have been teleworking and productivity remains high. Metrics regarding IRWD Customer Service remain excellent, with very short on-hold wait-times and very high customer satisfaction rankings. He said that the official date for employees returning to the office has not yet been determined, but that the Customer Service Counter and the Development Services Counter would open when all employees return to work. Departments are currently developing return-to-work plans, based on general guidelines provided by the General Manager.

Following the consensus of the Board on this approach, this item was received and filed.

OTHER BUSINESS

GENERAL MANAGER'S REPORT

General Manager Cook reported that there were no new cases of COVID-19.

Mr. Cook reported on the AMP 54" pipeline shutdown occurring April 4 through May 10 and noted that this shutdown did not impact IRWD.

He further said that EMWD appointed a new General Manager, Mr. Joe Mouawad, taking over for Paul Jones, who is retiring.

COMMUNITY UPDATES

Consultant Bruce Newell reported that the canyons received 1.13" of rain today, and that he recently assisted IRWD in notifying residents of work being done in Silverado Canyon.

DIRECTORS' COMMENTS

Director Withers reported that this Wednesday he will be participating in a virtual MWRP tour, an OCSD Board meeting, a drought webinar on Thursday as well as an upcoming ISDOC Executive Committee meeting.

Director McLaughlin said that she had nothing to report this evening.

Director Swan reported on his attendance at an OCWD Water Issues Committee meeting, a Newport Beach Chamber of Commerce meeting, MWDOC meetings, and a WACO planning meeting. He said this Wednesday he will be attending a California Water Dialogue meeting and an upcoming MWDOC and OCWD joint meeting.

Director LaMar reported on his attendance at a Water Advisory meeting at Scripps, a Riverside County Task force meeting, a Southern California Water Coalition meeting, and several ACWA meetings.

Director Reinhart reported on his attendance at an OCWD Water Issues Committee meeting, an OCWD Administration and Finance Committee meeting, an OCWD Board meeting, and MWDOC meetings.

CLOSED SESSIONS

Legal Counsel Collins said that the following Closed Sessions would be held this evening:

CLOSED SESSION CONFERENCE WITH LEGAL COUNSEL – EXISTING LITIGATION – Pursuant to Government Code Section 54956.9(d)(1):

- a) *Kern County Water Agency v. Groundwater Banking Joint Powers Authority, Rosedale-Rio Bravo Water Storage District, Irvine Ranch Water District*, Kern County Superior Court Case No. BCV-21-100223.
- b) *City of Bakersfield v. Groundwater Banking Joint Powers Authority, Rosedale-Rio Bravo Water Storage District, Irvine Ranch Water District*, Kern County Superior Court Case No. BCV-21-100221-GP.

OPEN SESSION

At 8:45 p.m. the meeting was reconvened with Directors Swan, LaMar, Withers, McLaughlin, and Reinhart present. General Counsel Collins said that there was no action to report.

ADJOURNMENT

There being no further business, President Reinhart adjourned the meeting.

APPROVED and SIGNED this 10th day of May 2021.

President, IRVINE RANCH WATER DISTRICT

Secretary IRVINE RANCH WATER DISTRICT

APPROVED AS TO FORM:

Claire Hervey Collins, General Counsel

2021 LEGISLATIVE AND REGULATORY UPDATE

SUMMARY:

This report provides an update on the 2021-2022 legislative session, regulatory issues, and IRWD priorities. As legislation and regulations develop, staff provides updates and recommendations to the Water Resources Policy and Communications Committee and the Board, as appropriate.

Staff recommends the Board consider the following actions/positions:

- *AB 602 (Grayson) — Development Fees: “WATCH”.*

BACKGROUND:

The last day for policy committees to hear fiscal bills was April 30, while May 7 was the policy committee deadline for non-fiscal bills. The last day for fiscal committees to meet and report bills introduced in their house to the floor is May 21. In advance of that deadline, the Senate and Assembly Appropriations Committees will act on their respective Suspense Files and decide which bills would be held in committee and which would advance this year. A copy of the 2021 Legislative Matrix is provided as Exhibit “A”. Links to the bills discussed below are included within each discussion unless a separate exhibit is noted.

2021 State Legislative Update:

Governor’s Regional Drought Emergency Proclamation:

On April 21, Governor Gavin Newsom issued a regional drought emergency proclamation which directed state agencies to take specific actions to prepare the state for worsening drought conditions, and which declared a local drought emergency for the Russian River watershed in Sonoma and Mendocino Counties where water levels in reservoirs are at record low levels. The proclamation directs the State Water Resources Control Board (State Board) to consider modifying requirements for releases from reservoirs and limitations on water diversions in that watershed. Additionally, the proclamation directs state agencies to undertake action to accelerate funding for multi-benefit water supply projects, to work with counties to track residential water shortages, and to provide technical and financial assistance to water systems that are at risk of experiencing water shortages, among other actions. It also directs state agencies to partner with local water suppliers to promote water conservation, among other things.

While the Governor noted in unveiling of the proclamation that the Russian River watershed is experiencing extreme conditions that are not being experienced in other regions of the state, he did state that he would extend the proclamation, as needed, to other regions as conditions changed.

Senate Budget Plan on Drought, Safe Drinking Water, Water Supply Reliability and Ratepayer Assistance:

Under the leadership of Senate President pro Tem Toni Atkins (D, San Diego), the Senate Budget Subcommittee #2 on Resources, Environmental Protection and Energy released a \$3.41 billion budget plan for drought, safe drinking water, water supply reliability and ratepayer assistance on April 28 that was considered at a meeting of the Subcommittee on April 29. The budget plan, officially named the “Senate Budget Plan on Drought, Safe Drinking Water, Water Supply Reliability and Ratepayer Assistance,” would provide one-time state and federal funds for the following:

- *Helping Ratepayers, Community Water Systems, Wastewater Treatment Works, and Public Utilities Recover from COVID-19 Economic Impacts:* \$1 billion for the Department of Community Services and Development (CSD) to help utility customers impacted by COVID with outstanding utility bills. The distribution structure for this funding would be included in a subsequent budget trailer bill;
- *Immediate Community Assistance for Water and Drought Relief:* \$500 million for community assistance grants to smaller communities for water and drought relief projects related to drinking water, water quality and water supply investments;
- *Emergency Drought Water Use Efficiency:* \$500 million for the Department of Water Resources (DWR) to provide grants to water agencies to implement residential, commercial, and agricultural water-use efficiency projects;
- *Sustainable Groundwater Management:* \$300 million for DWR to provide competitive grants that support the implementation of the Sustainable Groundwater Management Act (SGMA) and \$50 million for the Wildlife Conservation Board (WCB) to provide grants for the Ecosystem Restoration on Agricultural Lands Program for groundwater sustainability projects that create, protect, or restore wildlife habitat while supporting implementation of SGMA;
- *Protecting Fish and Wildlife from Drought Impacts:* \$285 million for protecting fish and wildlife from drought impacts. Of the \$285 million, \$100 million would be for the WCB to provide grants within the Streamflow Enhancement Program; \$100 million would be allocated for the WCB to provide grants to the Inland Wetlands Conservation Program, \$35 million would be appropriated for DWR to protect fish and wildlife from immediate drought impacts, and \$50 million would be given to the Department of Parks and Recreation for drought-related projects to preserve and protect the state’s fish and wildlife resources with state parks;
- *Resilient Water Infrastructure Projects:* \$200 million for DWR to provide competitive grants for projects that provide multiple benefits including water supply reliability, ecosystem benefits, system reliability benefits, groundwater management and enhancements. Eligible projects would include conjunctive use projects and groundwater recharge projects;
- *Recycled Water:* \$200 million for the State Board to provide competitive grants for recycled water projects using the existing Prop. 1 recycled water grant program;

- *Stormwater Management*: \$200 million for the State Board to provide competitive grants for multi-benefit stormwater management projects;
- *Water Quality*: \$100 million for the State Board to provide competitive grants for groundwater remediation, including perfluoroalkyl substances (PFAS) contamination and other contaminants; and
- *Water Data and Forecast Improvement*: \$75 million for DWR and the State Board to purchase water management technology equipment that would improve runoff forecasts and monitor drought-related impacts on water and water quality.

If the Assembly and Governor were to agree with this package of funding, it would be enacted as part of the budget prior to the June 15 deadline.

Given the tremendous funding included in the Senate Budget Plan on Drought, Safe Drinking Water, Water Supply Reliability and Ratepayer Assistance, including the \$1 billion IRWD has supported for customer utility bill assistance, the District adopted a “support” position on the plan in order to advocate that the Legislature include the funding in this year’s budget.

AB 602 (Grayson, D-Concord) – Development Fees:

On April 12, the District adopted an “oppose” position on AB 602 (Grayson, D-Concord) as the bill would have impacted the District’s ability to set connection fees on a cost-of-service basis. Specifically, the legislation would have required that all fees imposed on a housing development, including connection fees, be proportionate to the square footage of the proposed unit or units being developed. Staff worked with the District’s associations and other stakeholders who convinced the Assembly Local Government Committee to condition passage of the bill on amendments that removed water and wastewater connection fees from the bill. Given these amendments, which went into print on April 19, staff recommends the Board change the District’s position on AB 602 and adopt a “watch” position on the bill now in print.

AB 678 (Grayson) – Housing Development Fee Cap:

Assemblymember Grayson also amended AB 678 on March 25, which was previously a spot bill. As amended, AB 678 seeks to place a statutory cap on the fees charged on new housing developments. As currently drafted, it includes connection fees in its provisions. At this time, the bill is not moving forward this year and is a two-year bill. Staff will continue to monitor the bill closely, and the District will oppose the bill should it move forward and include connection fees.

Updates Other State Legislation of Interest to IRWD:

On May 3, 2021, staff updated the Water Resources Policy and Communications Committee on the following bills:

- *SB 222 (Dodd, D-Napa), Water Affordability Assistance Program, and SB 223 (Dodd) – Discontinuation of Residential Water Service*: The author and sponsors of SB 222 and SB 223 have continued to discuss the concerns the water community has raised with the bills.

The bills have continued to be amended. IRWD currently has an “oppose unless amended” position on SB 222 and an “oppose” position on SB 223. Both bills were heard by the Senate Environmental Quality Committee on April 29;

- *SB 323 (Caballero, D-Salinas) – Legal Action on Water and Sewer Service Rates:* The bill is currently on the Senate Floor. IRWD currently has a “support” position on SB 323;
- *SB 443 Guttled and Amended:* In April, staff provided the Board a report on SB 443, then authored by State Senator Josh Newman (D, Fullerton). At that time, SB 443 would have required special districts to consider an exclusive list of criteria when drawing special district division boundaries. On April 27, the bill was “guttled and amended.” As “guttled and amended,” the bill relates to referendum measures and the order they appear on the ballot and is now authored by Senator Bob Hertzberg (D, Van Nuys); and
- Other legislation of interest to the District.

2021 State and Regional Regulatory Update:

California Air Resources Board’s Advanced Clean Fleets Regulation:

On April 23, Governor Newsom directed the Department of Conservation to initiate regulatory action to end the issuance of new permits for hydraulic fracturing in 2024 and directed the California Air Resources Board (CARB) to evaluate how to phase out oil extraction by 2045 through the Climate Change Scoping Plan. Governor Newsom’s direction to the Department of Conservation and CARB is the latest step California has taken to move away from the use of fossil fuels. The policy to move away from fossil fuels is at the center of CARB’s regulatory efforts related to zero-emission medium and heavy-duty trucks, and off-road vehicles.

CARB’s stated goal of its regulatory efforts in these areas is to determine how to best achieve a zero-emission California fleet of medium- and heavy-duty vehicles by 2045 everywhere feasible with an earlier transition for certain market segments, including 100 percent zero-emission government fleets by 2035. Pursuant to this goal, CARB staff are currently developing an Advanced Clean Fleets Regulation which will govern public and private medium and heavy-duty fleets. Through the Advanced Clean Fleets Regulation, CARB staff have proposed fleet purchase requirements, including a requirement for local public agencies to incorporate purchases of ZEV and near-zero vehicles (NZEV) into replacement and new vehicle purchases, beginning with 50 percent of new and replacement vehicles in 2024, increasing to 100 percent in 2027, and 100 percent ZEV in 2035.

As part of the Advanced Clean Fleets Regulation, CARB staff are in the process of conducting several public workshops at which they have presented broad regulatory concepts related to the Advanced Clean Fleets Regulation and received public comments on those concepts. CARB staff have indicated that they will open a formal comment period on a draft regulation in May or June, with the intent of presenting a regulation to the CARB board by the end of the year.

Among the key issues raised by the water and wastewater community is the impact Advanced Clean Fleets Regulation will have on water and wastewater agencies’ ability to respond to emergencies with the specialty vehicles they use. District staff has monitored these workshops

and the ongoing development of this regulation and will remain engaged in the upcoming workshops and public meetings, as appropriate.

Proposed Amendments to CARB's Off-Road Vehicles Regulation:

CARB is also beginning public discussions on the development of amendments to its Off-Road Regulation that would reduce emissions from off-road diesel vehicles beyond the reductions that are presently being achieved through the existing regulation. These amendments align with the Draft 2020 Mobile Source Strategy goal of reducing NOx emissions from the construction and earth moving sector. CARB staff will be conducting a public workshop on May 6 to solicit input from stakeholders. IRWD staff will be monitoring this workshop and working with associations to develop comments, as appropriate.

South Coast Air Quality Management District's Proposed Amendments to Rule 1470 and Proposed Rule 118.1:

In 2020, SB 1099 (Dodd) sought to address concerns that local air district regulations would restrict a utility's use of backup generators to maintain essential public services during public safety power shutoff (PSPS) events. The author held the bill because the South Coast Air Quality Management District (AQMD) committed to addressing the concerns raised by public utilities.

In furtherance of its commitment, AQMD is working to amend Rule 1470, which limits the number of hours a standby generator can be run for testing and maintenance each year, and to develop a new rule, Proposed Rule 118.1 (PR 118.1) to permit the continued use of emergency standby engines that have exceeded the current 200-hour annual hour operating limit due to PSPS events. To date, AQMD has held two public workshops on these two regulations. While there are currently few details that have been released regarding how the amendments and new regulations will be written, the one released detail that received the greatest attention from stakeholders in the workshop was in the proposal for PR 118.1. AQMD staff has proposed that PR 118.1 apply to essential public services, as those services are defined in an existing AQMD rule, which some commenters believe needs to be broadened to cover the full scope of water and wastewater operations. AQMD staff indicated that they were receptive to ensuring that the definition covered the full scope of water and wastewater agencies' operations. AQMD staff intends to present the proposed amendment Rule 1470 and PR 118.1 to its board in November 2021.

Other 2021 State Regulations:

The following is a list of some of the State regulations and agency reports staff is monitoring, tracking or planning to engage in over the next three to 12 months. As the next drafts of the regulations or report are released for public review and comment, staff will engage, as appropriate.

The pending regulations and reports actively being tracked include the:

- Department of Water Resources (DWR) and the State Board’s implementation of the “[Making Water Conservation a California Way of Life](#)” legislation;
- Implementation of Executive Order [EO-N-82-2020](#) requiring 30 percent of the state’s land and coastal waters to be conserved by 2030;
- Implementation of the Governor’s Water Resiliency Portfolio;
- State Board’s development of a “Cross Connection Policy Handbook;”
- State Board’s Electronic Annual Report;
- State Board’s [Safe and Affordable Funding for Equity and Resilience \(SAFER\) Drinking Water Program](#); and
- State Board’s [Water Loss Performance Standards Regulations](#).

2021 Federal Legislative Update:

IRWD’s federal advocacy efforts in 2021 continue to largely focus on seeking federal funding for the Kern Fan Groundwater Storage Project and advocating for an increased funding authorization for the federal Water Storage Program. On May 3, 2021, staff provided an update to the Water Resources Policy and Communications Committee on these efforts and on the ongoing efforts related to positioning the Kern Fan Groundwater Storage Project for federal funding this year, and other federal proposals of interest to the District.

FISCAL IMPACTS:

Not applicable.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

COMMITTEE STATUS:

This item was reviewed by the Water Resources Policy and Communications Committee on May 3, 2021.

RECOMMENDATION:

THAT THE BOARD ADOPT A “WATCH” POSITION ON AB 602 (GRAYSON).

LIST OF EXHIBITS:

Exhibit “A” – IRWD Legislative Matrix

EXHIBIT "A"
IRWD 2021 LEGISLATIVE MATRIX
Updated 04/28/2021

Bill No. Author	Title	IRWD Position	Summary/Effects	Status
<u>AB 1</u> Garcia (D)	Hazardous Waste		Creates the Board of Environmental Safety in the California Environmental Protection Agency. Provides requirements for the membership of the board and requires the board to conduct no less than 6 public meetings per year. Provides for the duties of the board, which would include, among others, reviewing specified policies, processes, and programs within the hazardous waste control laws.	04/07/2021 - From ASSEMBLY Committee on ENVIRONMENTAL SAFETY AND TOXIC MATERIALS: Do pass to Committee on APPROPRIATIONS.
<u>AB 2</u> Fong (R)	Regulations: Legislative Review: Regulatory Reform		Requires the Office of Administrative Law to submit to each house of the Legislature for review a copy of each major regulation that it submits to the Secretary of State. Requires each state agency to review that agency's regulations, identify any regulations that are duplicative, overlapping, inconsistent, or out of date, to revise those identified regulations, and report to the Legislature and Governor.	04/28/2021 - From ASSEMBLY Committee on ACCOUNTABILITY AND ADMINISTRATIVE REVIEW: Do pass to Committee on APPROPRIATIONS.
<u>AB 9</u> Wood (D)	Fire Safety: Wildfires: Fire Adapted Communities		Establishes in the Department of Conservation the Regional Forest and Fire Capacity Program to support regional leadership to build local and regional capacity and develop, prioritize, and implement strategies and projects that create fire adapted communities and landscapes by improving watershed health, forest health, community wildfire preparedness, and fire resilience.	04/19/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on LOCAL GOVERNMENT.
<u>AB 11</u> Ward (D)	Climate Change: Regional Climate Change Authorities		Requires the Strategic Growth Council to establish regional climate change authorities to coordinate climate adaptation and mitigation activities in their regions and coordinate with other regional climate adaptation authorities, state agencies, and other relevant stakeholders. Authorizes the regional climate change authorities to engage in certain activities to address climate change. Requires the regional climate change authorities to annually submit to the council a report on their activities.	01/21/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on NATURAL RESOURCES.
<u>AB 15</u> Chiu (D)	COVID-19 Relief: Tenancy Stabilization Act of 2021		Extends the definition of "COVID-19 rental debt" as unpaid rent or any other unpaid financial obligation of a tenant that came due between March 1, 2020, and December 31, 2021. Extends the repeal date of the	01/11/2021 - To ASSEMBLY Committee on HOUSING AND COMMUNITY DEVELOPMENT.

Bill No. Author	Title	IRWD Position	Summary/Effects	Status
			COVID-19 Tenant Relief Act of 2020 to January 1, 2026. Prohibits a landlord from taking certain actions with respect to a tenant's COVID-19 rental debt, including, among others, charging or attempting to collect late fees, or withholding a service or amenity.	
<u>AB 16</u> Chiu (D)	Tenancies: Tenant, Small Landlord, and Housing Act		Establishes the Tenant, Small Landlord, and Affordable Housing Provider Stabilization Program. Authorizes the Director of Housing and Community Development to direct an existing office or program within the Department of Housing and Community Development to implement the program. Establishes in the State Treasury the COVID-19 Tenant, Small Landlord, and Affordable Housing Provider Stabilization Fund, and, upon appropriation, distributes all moneys in the fund to carry out the purposes of the program.	01/12/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on HOUSING AND COMMUNITY DEVELOPMENT.
<u>AB 20</u> Lee (D)	Political Reform Act of 1974: Corporate-Free Elections		Enacts the Corporate-Free Elections Act. Prohibits a candidate for elective office from receiving a contribution from a business entity, and a business entity from making a contribution to a candidate for elective office.	03/01/2021 - From ASSEMBLY Committee on ELECTIONS with author's amendments.;03/01/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on ELECTIONS.
<u>AB 25</u> Kiley (R)	Worker Classification: Employees and Contractors		Generally repeals provisions relating to the "ABC" test to determine if workers are employees or independent contractors. The bill would instead require the determination of whether a person is an employee or an independent contractor to be based on the specific multifactor test set forth in the Borello decision, including whether the person to whom service is rendered has the right to control the manner and means of accomplishing the result desired.	01/11/2021 - To ASSEMBLY Committee on LABOR AND EMPLOYMENT.
<u>AB 29</u> Cooper (D)	State Bodies: Meetings		Requires that the notice of a meeting of a state body include all writings or materials provided for the noticed meeting to a member of the state body by the staff of a state agency, board, or commission, or another member of the state body that are in connection with a matter subject of discussion or consideration at the meeting.	04/21/2021 - In ASSEMBLY Committee on APPROPRIATIONS: To Suspend File.

Bill No. Author	Title	IRWD Position	Summary/Effects	Status
<u>AB 33</u> Ting (D)	Energy Storage Systems		Requires the Energy Commission, in administering the State Energy Conservation Assistance Account, to provide grants and loans to maximize energy use savings, expand installation of energy storage systems and expand the availability of transportation electrification infrastructure.	04/21/2021 - From ASSEMBLY Committee on UTILITIES AND ENERGY: Do pass as amended to Committee on NATURAL RESOURCES.
<u>AB 49</u> Petrie-Norris (D)	California Debt Limit Allocation Committee		Abolishes the California Debt Limit Allocation Committee and transfer its powers, duties, and functions to the California Tax Credit Allocation Committee.	04/28/2021 - In ASSEMBLY Committee on ACCOUNTABILITY AND ADMINISTRATIVE REVIEW: Not heard.
<u>AB 50</u> Boerner Horvath (D)	Climate Adaptation Center and Regional Support Network		Establishes the Climate Adaptation Center and Regional Support Network in the Ocean Protection Council to provide local governments facing sea level rise challenges with information and scientific expertise necessary to proceed with sea level rise mitigation.	01/11/2021 - To ASSEMBLY Committee on NATURAL RESOURCES.
<u>AB 51</u> Quirk (D)	Regional Climate Adaptation Planning Groups		Requires the Strategic Growth Council, by July 1, 2022, to establish guidelines for the formation of regional climate adaptation planning groups. Requires the council, by July 1, 2023, and in consultation with certain state entities, to develop criteria for the development of regional climate adaptation plans.	01/11/2021 - To ASSEMBLY Committee on NATURAL RESOURCES.
<u>AB 52</u> Frazier (D)	California Global Warming Solutions Act of 2006		Requires the State Air Resources Board, in each scoping plan update prepared by the state board after January 1, 2022, to include, consistent with the Global Warming Solutions Act of 2006, recommendations for achieving the maximum technologically feasible and cost-effective reductions of emissions of greenhouse gases and black carbon from wildfires. Expresses the intent of the Legislature to appropriate an amount from the Greenhouse Gas Reduction Fund for wildfire mitigation and prevention.	01/11/2021 - To ASSEMBLY Committee on NATURAL RESOURCES.
<u>AB 55</u> Boerner Horvath (D)	Employment: Telecommuting		Declares the intent of the Legislature to enact future legislation to ensure certain rights and benefits for telecommuting employees.	12/07/2020 - INTRODUCED.

Updated 04/28/2021

Bill No. Author	Title	IRWD Position	Summary/Effects	Status
<u>AB 125</u> Rivas R (D)	Equitable Economic Recovery, Healthy Food Access		Enacts the Equitable Economic Recovery, Healthy Food Access, Climate Resilient Farms, and Worker Protection Bond Act. Authorizes the issuance of bonds to finance programs related to agricultural lands, food and fiber infrastructure, climate resilience, agricultural professionals, including farmers, ranchers, and farmworkers, workforce development and training, air quality, tribes, disadvantaged communities, nutrition, food aid, meat processing facilities, fishing facilities, and fairgrounds.	04/15/2021 - From ASSEMBLY Committee on AGRICULTURE: Do pass to Committee on NATURAL RESOURCES.
<u>AB 221</u> Santiago (D)	Emergency Food Assistance		Requires the department, in consultation with a workgroup, to conduct a study to provide recommendations and solutions to a permanent food assistance program for low-income California residents experiencing food insecurity, to complete that study by a specified date and to submit a copy of that study to the Legislature.	04/28/2021 - In ASSEMBLY Committee on APPROPRIATIONS: To Suspense File.
<u>AB 230</u> Voepel (R)	Employment: Flexible Work Schedules		Enacts the Workplace Flexibility Act of 2021. Permits an individual nonexempt employee to request an employee-selected flexible work schedule providing for workdays up to a certain number of hours per day within a 40-hour workweek, and would allow an employer to implement this schedule without the obligation to pay overtime compensation for those additional hours in a workday, except as specified.	01/28/2021 - To ASSEMBLY Committee on LABOR AND EMPLOYMENT.
<u>AB 237</u> Gray (D)	Public Employment: Unfair Practices: Health Protection		Creates the Public Employee Health Protection Act. Makes it an unfair practice for a covered employer to fail or refuse to maintain or pay for continued health care or other medical coverage for an enrolled employee or their enrolled dependents, for the duration of the enrolled employee's participation in an authorized strike, at the level and under the conditions that coverage would have been provided if the employee had continued to work in their position for the duration of the strike.	04/28/2021 - From ASSEMBLY Committee on APPROPRIATIONS: Do pass.

IRWD 2021 LEGISLATIVE MATRIX
Updated 04/28/2021

Bill No. Author	Title	IRWD Position	Summary/Effects	Status
<u>AB 244</u> Rubio (D)	Affordable Housing Cost Study: Housing Plan Addendum		Requires the California Tax Credit Allocation Committee, the Department of Housing and Community Development, the California Housing Finance Agency, and the California Debt Limit Allocation Committee to conduct an affordable housing cost study that measures the factors that influence the cost of building affordable housing, breaks down total development costs for affordable housing, and enables the state to maximize resources allocated for affordable housing.	01/28/2021 - To ASSEMBLY Committee on HOUSING AND COMMUNITY DEVELOPMENT.
<u>AB 252</u> Rivas R (D)	Department of Conservation: Incentive Program		Requires the Department of Conservation to establish and administer a program named the Multibenefit Land Repurposing Incentive Program for purposes of providing grants to groundwater sustainability agencies or counties, or other specified entities designated by groundwater sustainability agencies or counties, for the development or implementation of local programs supporting or facilitating multibenefit land repurposing at the basin scale.	04/28/2021 - In ASSEMBLY Committee on APPROPRIATIONS: To Suspend File.
<u>AB 255</u> Muratsuchi (D)	COVID-19 Small Business Eviction and Rent Relief		Requires a landlord, who receives a statement by a commercial tenant supported by documentary evidence that the commercial tenant has experienced a decrease in average monthly gross revenue attributable to the COVID-19 pandemic, to conduct a good faith negotiation to form a plan to allow the commercial tenant a reasonable opportunity to repay COVID-19 lease debt while minimizing the hardship to the landlord.	04/19/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on JUDICIARY.
<u>AB 267</u> Valladares (R)	California Environmental Quality Act: Exemption		Extends the exemption from CEQA prescribed fire, thinning, or fuel reduction projects undertaken on federal lands to reduce the risk of high-severity wildfire that have been reviewed under the federal National Environmental Policy Act of 1969 and the requirement on the Department of Forestry and Fire Protection to report to the relevant policy committees of the Legislature to specified date.	04/15/2021 - In ASSEMBLY. Read second time. To third reading.

<u>AB 1001</u> Garcia (D)	Air Pollution and Mitigation Measures for Air and Water		Provides that industrial sources that were subject to the market-based compliance mechanism and that fail to implement best available retrofit control technology are not eligible to participate in the market-based compliance mechanism.	04/20/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on NATURAL RESOURCES.
<u>AB 1005</u> Muratsuchi (D)	Scientific Review Panel on Toxic Air Contaminants		Relates to existing law that creates and establishes a 9-member Scientific Review Panel on Toxic Air Contaminants to advise the State Air Resources Board and the Department of Pesticide Regulation in their evaluation of the health effects toxicity of toxic air contaminants and pesticides and prescribes the manner in which the members shall be appointed. Makes nonsubstantive changes to these provisions.	02/18/2021 - INTRODUCED.
<u>AB 1013</u> Lackey (R)	State Mandates: Claims		Relates to State mandates of a new program or higher level of service on any local government, including school districts. Requires the state to provide a subvention of funds to reimburse the local government, unless an exception applies. Provides that statutory provisions that establish procedures for making that reimbursement include a requirement that no claim shall be made or paid unless it exceeds \$1,000. Changes the minimum claim amount to \$900.	03/04/2021 - To ASSEMBLY Committee on LOCAL GOVERNMENT.
<u>AB 1017</u> Quirk-Silva (D)	Public Restrooms: Right to Restrooms Act of 2021		Requires local governments to do an inventory of public restrooms that are available to the homeless population to use during the coronavirus state of emergency, as defined. Requires local governments to report their findings to the Office of Emergency Services, which would be required to compile the information in a report to the Legislature, as provided. Provides that this bill would be repealed by its own provisions on a specified date.	03/04/2021 - To ASSEMBLY Committee on LOCAL GOVERNMENT.
<u>AB 1023</u> Flora (R)	Contractors and Subcontractors: Records: Penalties		Requires a contractor or subcontractor to furnish payroll records to the Labor Commissioner no later than their final day of work performed on the project. Makes a contractor or subcontractor who fails to furnish those records in the manner specified liable for a penalty of a specific amount per day, as specified, not to exceed a specific amount per project, to be deposited into the State Public Works Enforcement Fund.	04/08/2021 - From ASSEMBLY Committee on LABOR AND EMPLOYMENT: Do pass to Committee on APPROPRIATIONS.

			employer to hire or promote a member of a protected group, if the employer determines that the individual hired or promoted is qualified for the job and the individual hired or promoted is a member of a protected group that is underrepresented in the type of job in question in the relevant general workforce.	to Committee on LABOR AND EMPLOYMENT.
<u>AB 1135</u> Grayson (D)	Housing Allocation Act		Enacts the Housing Allocation Act, which requires the Business, Consumer Services, and Housing Agency, HCD, CalHFA, and CTCAC to jointly establish and operate a single, centralized housing funding allocation committee, which would be within the Business, Consumer Services, and Housing Agency and comprised of representatives of those entities.	03/25/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on HOUSING AND COMMUNITY DEVELOPMENT.
<u>AB 1141</u> Frazier (D)	Wildfires: Wildland Urban Interface Fire Research		Requires the Natural Resources Agency to develop and fund, upon an appropriation by the Legislature, a Wildland-Urban Interface Fire Research Center that addresses the wildland-urban interface fire problem and the need for wildfire prevention, detection, and mitigation planning, building, and response, and related economic, insurance, and modeling practices in the state.	03/18/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on NATURAL RESOURCES.
<u>AB 1142</u> Frazier (D)	Fire Prevention: Detection and Response		Requires the Department of Forestry and Fire Protection to develop and implement a program to predict and respond to wildfire ignition events and to provide for the sharing of information regarding wildfire events and coordination of activities among local, state, and federal agencies in response to wildfires.	03/04/2021 - To ASSEMBLY Committee on NATURAL RESOURCES.
<u>AB 1161</u> Garcia E (D)	Electricity: Eligible Renewable Energy: State Agencies		Enacts the Clean Economy and Clean Jobs Stimulus Act of 2021 and would require the Department of Water Resources to procure newly developed eligible renewable energy resources or zero-carbon resources, and energy storage associated with those resources, in an amount that satisfies 100 percent electricity procured to serve all state agencies by specified date.	04/13/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on UTILITIES AND ENERGY.

Bill No. Author	Title	IRWD Position	Summary/Effects	Status
<u>AB 1164</u> Flora (R)	Dams and Reservoirs: Exclusions		Specifies that the exclusion from being considered a dam for a barrier that is not across a stream channel, watercourse, or natural drainage area and that has the principal purpose of impounding water for agricultural use applies only to a barrier owned or operated by a private entity. Provides that the structure is no greater than 20 feet in height, as measured from the lowest adjacent native ground elevation to the maximum achievable water surface impounded by the structure.	04/26/2021 - From ASSEMBLY Committee on WATER, PARKS AND WILDLIFE: Do pass as amended to Committee on APPROPRIATIONS.
<u>AB 1175</u> Aguiar-Curry (D)	Division Of Occupational Safety and Health: Inspections		Revises advance warning provisions to prohibit any representative of the Division Of Occupational Safety and Health from giving advance notice of an inspection or investigation to an employer or other person unless authorized under OSHA. Authorizes the chief or their authorized representatives to permit advance notice of an inspection or investigation when advance notice is necessary to ensure availability of essential personnel or access to the site, equipment, or process, as prescribed by the director.	03/11/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on LABOR AND EMPLOYMENT.
<u>AB 1179</u> Carrillo (D)	Employer Provided Benefit: Backup Childcare		Requires an employer to provide an employee who works in California for the same employer for 30 or more days within a year from the commencement of employment, with up to 60 hours of paid backup childcare benefits, to be accrued and used as provided. Defines backup childcare as childcare provided by a qualified backup childcare provider to the employee's child when the employee's regular childcare provider cannot be utilized.	04/22/2021 - From ASSEMBLY Committee on LABOR AND EMPLOYMENT: Do pass to Committee on APPROPRIATIONS.
<u>AB 1180</u> Mathis (R)	Local Governments: Surplus Land: Tribes		Relates to existing law which defines exempt surplus land for which a local agency is not required to follow the requirements for disposal of surplus land, except as provided. Adds to the definition of exempt surplus land, land transferred by a local agency to a federally recognized California Indian tribe.	04/26/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on LOCAL GOVERNMENT.
<u>AB 1188</u> Wicks (D)	State Rental Assistance Program: Data		Requires the Department of Housing and Community Development to retain data from designated sources, including data on the state rental assistance program, information submitted by eligible grantees that	04/19/2021 - In ASSEMBLY. 			received the federal funding, and data on rental registries operated by local governments, as specified.	to Committee on HOUSING AND COMMUNITY DEVELOPMENT.
<u>AB 1195</u> Garcia (D)	Drinking Water		Relates to the California Safe Drinking Water Act. Provides for the operation of public water systems and imposes on the State Water Resources Control Board various responsibilities and duties relating to the regulation of drinking water to protect public health.	04/21/2021 - From ASSEMBLY Committee on ENVIRONMENTAL SAFETY AND TOXIC MATERIALS: Do pass to Committee on LOCAL GOVERNMENT.
<u>AB 1205</u> Frazier (D)	State Air Resources Board: Elections		Requires a certain composition of the Air Resources Board.	03/18/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on NATURAL RESOURCES.
<u>AB 1218</u> McCarty (D)	Motor Vehicle Greenhouse Gas Emissions Standards		Declares that, to help achieve the state's climate and air quality goals and mandates, it is the goal of the state that 100% of new passenger and light-duty trucks sales are zero-emission vehicles by 2035. Requires, on and after January 1, 2023, total passenger vehicles and light-duty trucks sold by a manufacturer in the state in a calendar year to meet specified greenhouse gas emissions standards pursuant to a tiered plan.	04/19/2021 - From ASSEMBLY Committee on TRANSPORTATION: Do pass to Committee on APPROPRIATIONS.
<u>AB 1232</u> McCarty (D)	Construction Documents		Relates to existing law that requires a contract for construction to contain specified information regarding the names, addresses, and places of business of various parties to the contract. Makes a nonsubstantive change to this provision.	02/19/2021 - INTRODUCED.
<u>AB 1239</u> Ting (D)	Electricity: Demand Response Resources and Programs		Requires the PUC, by a specified date, to open an investigation into the root causes of demand response market failures and why demand response has not reached its potential and make recommendations for policy changes aimed at ensuring those market failures are not repeated. Requires that the investigation include public participation and be concluded by September 30, 2022.	03/29/2021 - In ASSEMBLY. Read second time and amended. Re-referred to Committee on UTILITIES AND ENERGY.
<u>AB 1250</u> Calderon (D)	Water and Sewer System Corporations		Authorizes a water or sewer system corporation to file an application and obtain approval from the Public Utilities Commission through an	04/21/2021 - From ASSEMBLY Committee on UTILITIES AND

MICHELSON WATER RECYCLING PLANT UNIT SUBSTATION T-1 REMOVAL FINAL ACCEPTANCE

SUMMARY:

The Michelson Water Recycling Plant (MWRP) Unit Substation T-1 Removal project is complete. IRWD's contractor Southern Contracting Company completed the required work and all punch list items. The project has received final inspection and acceptance of construction is recommended.

BACKGROUND:

The Unit Substation T-1 at MWRP had settled over the past 20 years and was leaning in excess of the manufacturer's specifications. This project removed Unit Substation T-1 and rerouted power to the existing loads served by T-1 to other unit substations at MWRP. The project included construction of a new 480V switchboard, 5kV switch, and 5kV duct bank. A temporary power bypass system was established to connect the electrical infrastructure at MWRP to ensure that existing plant facilities remained in reliable operation throughout the construction period.

Staff completed the design in November 2019, and Southern Contracting Company was awarded the construction contract on February 10, 2020. Southern Contracting Company completed construction of all improvements on April 30, 2021. A summary of construction change orders is provided as Exhibit "A".

Project Title:	MWRP Unit Substation T-1 Removal
Project No.:	10535
Design Engineer:	Lee and Ro, Inc.
Construction Management by:	IRWD Staff
Contractor:	Southern Contracting Company, Inc.
Original Contract Cost:	\$2,204,000.00
Final Contract Cost:	\$2,244,003.31
Original Contract Days:	365
Final Contract Days:	444
Final Change Order Approved On:	February 17, 2021

FISCAL IMPACTS:

Project 10535 is included in the FY 2020-21 Capital Budget. The existing budget is sufficient to fund the final payment for the project.

ENVIRONMENTAL COMPLIANCE:

This project is exempt from the California Environmental Quality Act (CEQA) as authorized under the California Code of Regulations, Title 14, Chapter 3, Section 15302, which provides categorical exemption for the replacement of existing facilities where the new facility will be located on the same site as the facility replaced and will have substantially the same purpose as the facility replaced. A Notice of Exemption was filed with the Orange County Clerk's office on October 9, 2018.

COMMITTEE STATUS:

This item was not reviewed by a Committee.

RECOMMENDATION:

THAT THE BOARD ACCEPT CONSTRUCTION OF THE MICHELSON WATER RECYCLING PLANT UNIT SUBSTATION T-1 REMOVAL, AUTHORIZE THE GENERAL MANAGER TO FILE A NOTICE OF COMPLETION, AND AUTHORIZE THE PAYMENT OF THE RETENTION 35 DAYS AFTER THE DATE OF RECORDING THE NOTICE OF COMPLETION FOR PROJECT 10535.

EASTWOOD RECYCLED WATER PUMP STATIONS
FINAL ACCEPTANCE

SUMMARY:

The Eastwood Recycled Water Pump Stations Zone A to B and Zone A to C project is complete. IRWD’s contractor Pacific Hydrotech Corporation completed the required work and all punch list items. The project has received final inspection and acceptance of construction is recommended.

BACKGROUND:

The Eastwood Recycled Water Pump Stations (PS) project included construction of the Zone A to B PS and the Zone A to C PS. The Zone A to B PS will meet the growth in demands to Zone B and will replace the existing Northwood Zone B PS. The Zone A to C PS will meet the growth in demands to Zone C and will replace the existing Orchard Hills Zone A to C PS that was converted to Zone C+ service as part of the Irvine Lake Pipeline North Conversion. The project is located within the Eastwood Village development at the corner of Jeffrey Road and Irvine Boulevard.

Staff completed the design in April 2018, Pacific Hydrotech Corporation was awarded the construction contract on May 30, 2018, and the project was completed on April 30, 2021. Construction of the project required an additional 15 months to complete due to several issues that impacted overall completion. The primary contributors were associated with extended material procurement durations and contractor staffing issues – both caused by the impacts of COVID-19. A summary of construction change orders is provided as Exhibit “A”.

Project Title:	Eastwood Recycled Water Pump Stations Zone A to B and Zone A to C
Project Nos.:	04400 and 04457
Design Engineer:	AECOM
Construction Management by:	IRWD Staff
Contractor:	Pacific Hydrotech Corporation
Original Contract Cost:	\$12,220,600.00
Final Contract Cost:	\$13,088,886.33
Original Contract Days:	600
Final Contract Days:	1,066
Final Change Order Approved On:	May 3, 2021

FISCAL IMPACTS:

Projects 04400 and 00457 are included in the FY 2020-21 Capital Budget. The existing budget is sufficient to fund the final payment for the project.

ENVIRONMENTAL COMPLIANCE:

This project is subject to the California Environmental Quality Act (CEQA) and in conformance with California Code of Regulations Title 14, Chapter 3, Article 6, a Notice of Intent to adopt a Mitigated Negative Declaration was filed with the County of Orange on October 24, 2017. Pursuant to State Guideline § 15073, the Initial Study/Mitigated Negative Declaration (IS/MND) was made available for public review for a period of 30 days from October 24, 2017 through November 22, 2017. The IS/MND was adopted by IRWD Board of Directors at its January 22, 2018 meeting. A Notice of Determination was filed with the Orange County Clerk/Recorder and the CA State Clearinghouse on January 23, 2018.

COMMITTEE STATUS:

This item was not reviewed by a Committee.

RECOMMENDATION:

THAT THE BOARD ACCEPT CONSTRUCTION OF THE EASTWOOD RECYCLED WATER PUMP STATIONS ZONE A TO B AND ZONE A TO C, AUTHORIZE THE GENERAL MANAGER TO FILE A NOTICE OF COMPLETION, AND AUTHORIZE THE PAYMENT OF THE RETENTION 35 DAYS AFTER THE DATE OF RECORDING THE NOTICE OF COMPLETION FOR PROJECTS 04400 AND 04457.

CONSENT CALENDAR

RESOLUTION FOR SYPHON RESERVOIR IMPROVEMENT PROJECT
APPLICATIONS FOR TITLE XVI GRANT FUNDING

SUMMARY:

The Bureau of Reclamation is accepting applications for grant funding under its WaterSMART – Title XVI Water Reclamation and Reuse Program, as amended by the Water Infrastructure Improvements for the Nation (WIIN) Act. In response to this opportunity, IRWD submitted an application for \$6.99 million in grant funding for the Syphon Reservoir Improvement Project. The funding request is based on 25% of total project costs that are planned to be incurred through September 30, 2023. The program allows project sponsors to reapply for funding multiple times until a project’s total funding award has reached 25% of total project cost or a \$20 million maximum.

As part of the grant application process, Reclamation requires that an applicant’s governing body adopt a resolution designating an authorized representative to submit grant applications and to enter into an agreement to receive the funding. The resolution must confirm that the applicant has the ability to provide a cost share of up to 75% of the project costs. Staff recommends the Board adopt a resolution authorizing submission of grant applications for the WaterSMART – Title XVI WIIN Water Reclamation and Reuse Program for 25%, up to \$20 million, of the total Syphon Reservoir Improvement Project costs and authorize the General Manager to execute a related agreement and amendments to receive grant funding.

BACKGROUND:

In 2018 and 2019, IRWD submitted separate grant funding applications for the Syphon Reservoir Improvement Project under Reclamation’s WaterSMART – Title XVI Program that was amended each year by the WIIN Act. Eligible applicants for Title XVI funding are sponsors of water recycling projects that have completed a Feasibility Study that Reclamation has found to meet the requirements of Title XVI. Reclamation has already approved a Title XVI compliant Feasibility Study for the Syphon Reservoir Improvement Project. At the time that the previous grant funding applications were submitted, the Syphon Reservoir Improvement Project was in the early planning phase, which made it less competitive as compared to projects that were in design and that had undergone environmental review. The project was therefore not selected for grant funding.

2021 Title XVI Funding Opportunity:

In March 2021, Reclamation issued a new Funding Opportunity Announcement (FOA) for grants from the WaterSMART – Title XVI Program. This FOA is exclusively offered to sponsors of projects eligible under the WIIN Act. The WIIN Act allows new projects that are not necessarily pre-authorized by Congress and that have a Reclamation-approved feasibility study to be eligible

to receive federal funding. Since the Syphon Reservoir Improvement Project has a previously approved Title XVI compliant Feasibility Study, it is eligible to request funding under the current FOA.

Grant Funding Application:

Based on the FOA, Title XVI Program grant funding can be applied to planning, design and/or construction costs incurred from February 7, 2018, through September 30, 2023. Staff has estimated eligible Syphon Reservoir Improvement Project costs that will be incurred by September 2023 to be approximately \$27.9 million. On April 23, staff submitted a grant application to Reclamation for 25% of this amount, or \$6.99 million. In accordance with the Title XVI Program, IRWD would be required to provide at least 75% of total project costs. The program allows project sponsors to reapply for funding multiple times until a project's total funding award has reached 25% of total project costs or a \$20 million maximum.

Staff expects that the current grant application will be more competitive than the previous applications. The Draft Environmental Impact Report for the project, which was released in March 2021, and the ongoing project design process will improve the project's scoring relative to Reclamation's evaluation criteria. Reclamation has not specified the amount of funding available for this year's grant program but estimates that approximately five awards will be granted.

Board Resolution:

As part of the grant funding process, Reclamation requires that a resolution be adopted by an applicant's governing body. Reclamation allows resolutions to be submitted up to 30 days after the application deadline. The resolution must designate an authorized representative to submit applications for grant funding and to enter into an agreement to receive funding. It must also confirm that the applicant has the ability to provide a cost share of up to 75% of the project costs. Accordingly, staff recommends the Board adopt a resolution, attached as Exhibit "A", supporting WaterSMART grant applications for the Syphon Reservoir Improvement Project.

FISCAL IMPACTS:

The Syphon Reservoir Improvement Project (Project 03808) is included in the FY 2019-21 Capital Budget as a flagged project. On February 5, 2021, the Board approved an Expenditure Authorization in the amount of \$139,650,000 for the project, bringing the total project budget to \$146,000,000. The current WaterSMART grant funding request is for \$6.99 million.

ENVIRONMENTAL COMPLIANCE:

This project is subject to the California Environmental Quality Act as authorized under the California Code of Regulations Title 14, Chapter 3, Section 15004. A Draft Environmental Impact Report for the Syphon Reservoir Improvement Project was prepared and made available on March 19, 2021.

COMMITTEE STATUS:

This item was reviewed by the Water Resources Policy and Communications Committee on May 3, 2021.

RECOMMENDATION:

THAT THE BOARD AUTHORIZE STAFF TO SUBMIT GRANT APPLICATIONS FOR THE BUREAU OF RECLAMATION WATERSMART – TITLE XVI WIIN WATER RECLAMATION AND REUSE PROGRAM FOR UP TO 25% OF THE TOTAL PROJECT COSTS, UP TO \$20 MILLION, FOR THE SYPHON RESERVOIR IMPROVEMENT PROJECT, AUTHORIZE THE GENERAL MANAGER TO EXECUTE A RELATED AGREEMENT AND AMENDMENTS TO RECEIVE GRANT FUNDING, AND ADOPT THE FOLLOWING RESOLUTION BY TITLE:

RESOLUTION NO. 2021 –

RESOLUTION OF THE BOARD OF DIRECTORS OF
IRVINE RANCH WATER DISTRICT
AUTHORIZING SUBMISSION OF GRANT APPLICATIONS
FOR THE WATERSMART TITLE XVI WIIN
WATER RECLAMATION AND REUSE PROGRAM TO THE
DEPARTMENT OF THE INTERIOR, BUREAU OF
RECLAMATION, POLICY AND ADMINISTRATION

Exhibit “A”

RESOLUTION NO. 2021 –

RESOLUTION OF THE BOARD OF DIRECTORS OF
IRVINE RANCH WATER DISTRICT
AUTHORIZING SUBMISSION OF GRANT APPLICATIONS
FOR THE WATERSMART TITLE XVI WIIN
WATER RECLAMATION AND REUSE PROGRAM TO THE
DEPARTMENT OF THE INTERIOR, BUREAU OF
RECLAMATION, POLICY AND ADMINISTRATION

The Department of the Interior, Bureau of Reclamation, Policy and Administration (“**Reclamation**”) has released a Funding Opportunity Announcement to provide federal grants under the WaterSMART: Title XVI WIIN Water Reclamation and Reuse Projects funding opportunity as amended by the Water Infrastructure Improvements for the Nation Act (“**WIIN Act**”).

Reclamation is seeking applications from water agencies with projects eligible under section 4009(c) of the WIIN Act for grant funding for the planning, design and/or construction of water reclamation and reuse projects.

The Irvine Ranch Water District is eligible to submit applications for grant funding for up to 25 percent of the total Project cost, up to a maximum of \$20 million, for its Syphon Reservoir Improvement Project.

The Board of Directors of Irvine Ranch Water District therefore resolves as follows:

Section 1. The General Manager of the Irvine Ranch Water District or his designee is hereby authorized to submit applications to Reclamation for grant funding for up to 25 percent of the total project cost, up to a maximum of \$20 million, for its Syphon Reservoir Improvement Project.

Section 2. The Board of Directors of the Irvine Ranch Water District has reviewed and supports the applications for grants from Reclamation for the WaterSMART Title XVI WIIN Water Reclamation and Reuse Program.

Section 3. The Irvine Ranch Water District hereby confirms that it has the capability to provide 75 percent or more of the total project costs as specified in the applications’ Project funding plan.

Section 4. The General Manager or his designee is hereby authorized to enter into a cooperative agreement and any amendments thereto with Reclamation on behalf of the Irvine Ranch Water District.

Section 5. The General Manager or his designee is hereby authorized to work with Reclamation to meet the established deadlines for entering into a cooperative agreement.

Section 6. The Secretary is hereby authorized to certify a copy of this resolution to accompany the grant application.

ADOPTED, SIGNED AND APPROVED this 10th day of May, 2021.

President, IRVINE RANCH WATER DISTRICT
and the Board of Directors thereof

Secretary, IRVINE RANCH WATER DISTRICT
and the Board of Directors thereof

APPROVED AS TO FORM:
Hanson Bridgett, LLP

ACTION CALENDAR

REHABILITATION OF IRWD WELL 51 CONSTRUCTION AWARD

SUMMARY:

IRWD Well 51 has been idle for nearly 30 years and as a result, the louvers appear partially plugged due to biological and inorganic fouling, and reduced production and specific capacity, and needs rehabilitation. Staff recommends the Board authorize the General Manager to execute a construction contract with Weber Water Resources in the amount of \$304,950.89 for the rehabilitation of IRWD Well 51.

BACKGROUND:

Well 51 is near the northern corner of the intersection of Pullman and Daimler Streets in Irvine; a site map is provided as Exhibit "A." This well was constructed in 1992 with a copper bearing steel casing and louvers and has been idle for nearly 30 years. The well was never equipped with a pump because the original project that included Wells 51, 52, and 53 was put on hold due to the development of the Deep Aquifer Treatment System and increased annual pumping from the principal (non-color) aquifer within the Orange County Groundwater Basin.

An unsuccessful attempt was made to rehabilitate the well in 2009 using traditional mechanical methods. Rehabilitation methods have improved significantly since then, and include rigorous mechanical, chemical, and pumping development. A recent video of the well casing was reviewed by staff and Richard C. Slade & Associates, hydrogeologist for the project. Visual observation indicates that the well may be successfully rehabilitated using the updated methods. The original rated production of Well 51 was 2,900 gallons per minute with a specific capacity of 116 gallons per minute per foot of drawdown. The intent of the rehabilitation efforts is to restore this important groundwater resource to its original pumping and specific capacity.

The rehabilitation of Well 51 was identified as the next project in the most recent Groundwater Workplan and in the Well Treatment Alternatives Study presented to the Engineering and Operations Committee on October 20, 2020. Several options were presented with each option requiring Well 51 to be rehabilitated prior to moving on to the next phase of the project.

Construction Award:

Richard C. Slade & Associates completed the design for the rehabilitation of Well 51 in April 2021, and the project was advertised for construction to a select bidders list of seven contractors. The bid opening was held on April 29, 2021 with three bids received from: 1) Best Drilling and Pump, Inc., 2) Layne, A Granite Company, and 3) Weber Water Resources CA, LLC. All three bids were lower than the engineer's estimate of \$391,000 and ranged from \$304,950.89 to \$336,490. Weber Water Resources is the apparent low bidder with a bid amount of \$304,950.89. The bid results are shown in Exhibit "B".

FISCAL IMPACTS:

Rehabilitation of IRWD Well 51, Project 11827, is included in the FY 2021-22 Capital Budget. Sufficient funds exist to complete the construction phase of this project.

ENVIRONMENTAL COMPLIANCE:

This project is exempt from the California Environmental Quality Act (CEQA) as authorized under the California Code of Regulations, Title 14, Chapter 3, Section 15301 which provides exemption for minor alterations of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. A Notice of Exemption (NOE) was filed with the Orange County Clerk Recorder on April 2, 2021.

COMMITTEE STATUS:

Construction awards are not routinely taken to a Committee prior to submittal to the Board.

RECOMMENDATION:

THAT THE BOARD AUTHORIZE THE GENERAL MANAGER TO EXECUTE A CONSTRUCTION CONTRACT WITH WEBER WATER RESOURCES CA, LLC IN THE AMOUNT OF \$304,950.89 FOR REHABILITATION OF IRWD WELL 51, PROJECT 11827.

ACTION CALENDAR

ANNUAL ORACLE SOFTWARE MAINTENANCE AND SUPPORT AGREEMENT RENEWAL

SUMMARY:

The Oracle Software Maintenance and Support Agreements provide for upgrades and maintenance of IRWD's Oracle Customer Care and Billing (CC&B) software, Oracle eBusiness Suite (EBS) financial software, and Oracle technology software. These agreements also provide pricing for software maintenance and licenses contained in the Unlimited License Agreement (ULA) (executed with Oracle in May 2014) as well as the EBS Financial Software Agreement executed with Oracle in May 2010. These agreements expire on May 31, 2021. Staff recommends the Board approve renewal of the District's Oracle Software Maintenance and Support Agreements and additional licenses and support, in the total amount of \$2,020,000 for a two-year period from June 1, 2021 through May 31, 2023.

BACKGROUND:

IRWD uses Oracle software to run the servers and databases that support the Oracle EBS, Oracle CC&B, Oracle Business Intelligence, and Maximo Enterprise Asset Management applications. In May 2010, the Board approved a software agreement with Oracle for EBS financial software licenses. The agreement includes an annual increase in software and support maintenance for renewals commencing in 2011. In April 2017, the Board approved software maintenance agreements with Oracle for a term of 48 months, from April 2017 through May 2021, for technology software, CC&B application licenses, and EBS application licenses. These agreements cover all versions of Oracle software products, CC&B software products, and EBS financial products purchased by IRWD, and allows for upgrade to new versions as they become available. Included in the most recent agreements was a zero percent increase in software and support maintenance for renewals commencing after 2015 and through 2021.

Staff recommends the Board approve a two-year agreement with Oracle for two reasons: 1) a two-year agreement will align Oracle support contracts with the District's two-year operating budget cycle, and 2) with an overarching strategy to migrate major computer applications to the cloud, the two-year cycle presents an opportunity to move EBS and CC&B from their current on-premise operation and be in a position to reduce the technology software licensing at the end of this renewal. Technology software is licensed differently in the cloud as opposed to on-premise. EBS and CC&B application licenses can be moved to the cloud as-is. The renewals represent an increase of 4% in support costs from the previous contracts.

Several of the EBS software programs are licensed by enterprise based on operating revenue. For IRWD, this value is the audited operating revenue before adjustments for expenses and taxes generated during a fiscal year. The agreement provides that if the operating revenues increase, IRWD would need to order additional licenses and technical support for such licenses. The

formula generates an increase of approximately \$39,000 for additional licenses and support, as required by the agreement.

The following table provides a summary of annual costs for the Oracle software maintenance and support agreements and additional licenses and support:

Description	Annual Cost
Oracle Technology (ULA) Software & Support Maintenance	\$697,000
Oracle CC&B Software & Support Maintenance	\$144,000
Oracle EBS Financial Software & Support Maintenance	\$130,000
Oracle EBS Financial Software Additional Licenses & Support Based on \$M Revenue	\$39,000
<i>Total Oracle Software Maintenance and Support Agreements & Additional Licenses & Support</i>	<i>\$1,010,000</i>

Staff recommends renewal of the annual Oracle Software Maintenance and Support Agreements, and additional licenses and support in the annual amount of \$1,010,000 for a two-year period in the total amount of \$2,020,000.

FISCAL IMPACTS:

Oracle Software Maintenance and Support Agreements are included in the FY 2021-22 and FY 2022-23 Operating Budgets.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

COMMITTEE STATUS:

This item was reviewed by the Finance and Personnel Committee on May 4, 2021.

RECOMMENDATION:

THAT THE BOARD APPROVE RENEWAL OF IRWD'S ANNUAL ORACLE SOFTWARE MAINTENANCE AND SUPPORT AGREEMENTS, AND ADDITIONAL LICENSES AND SUPPORT, IN THE AMOUNT OF \$2,020,000 FOR A TWO-YEAR PERIOD FROM JUNE 1, 2021 THROUGH MAY 31, 2023.

LIST OF EXHIBITS:

None.
