Project Name: Dyer Rd. Well Field Well No. 2 & 5 Rehabilitations

Project Location: Well 2 is located off W. Alton Avenue, near Lillie King Park in the City of Santa Ana. Well 5 is also located in Santa Ana, between Cypress Avenue and South Orange Avenue. (see Figure 1)

County: Orange

Description of Nature, Purpose and Beneficiaries of Project:

Wells 2 and 5 within the IRWD's Dyers Road Well Field have experienced decreased production over the years and need to be rehabilitated. These two wells, originally constructed in the 1970's, are aging. The wells will be immediately rehabilitated to maintain reliability of IRWD's Dyer Road Well Field.

Reasons why project is exempt:

Work to be performed on these existing wells involves mechanical cleaning, including wire brushing, scrubbing the well walls, repair of any wall defects, swabbing and airlifting. The wells will be redeveloped, chemically treated and tested. Work will include necessary repairs and replacement of pump and motor. There will be no expansion of use of this site as a result of this project. This work is exempt under Categorical Exemption 15301.

Class 1 consists of the operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination.

Submission of this form is optional. Local agencies may file this form with the county clerk pursuant to Public Resources Code Section 21152(b). The filing of the notice starts a 35-day statute of limitations on court challenges to the approval of the project under Public Resources Code Section 21167(d). Failure to file the notice results in the statute of limitations being extended to 180 days.
